

**Minutes:** Alden Building Leadership Team Meeting October 13, 2006

**In Attendance:** Tom Libka, Corinne Goerlich, Bill Yager, Jean Ross, Debbie Pierantozzi

- The group discussed additional MEF (Millbrook Education Foundation) requests including Library Automation and additional Smartboards for the classrooms.
- A District Technology Committee has been formed to look at technology as a whole within the district.
- Computer equipment has been purchased for Alden through the BOCES Lease Program. This includes computers, wireless hubs, and 3 additional Smartboards
- Additional Smartboard training will be pursued for Alden Faculty.
- Cathie Morton, the Millbrook CSD Library Media Specialist/Director will be coming to Alden to provide library and computer assistance to the children.
- The teachers are working on implementing the Accelerated Reader and Accelerated Math programs as enrichment for the students.

**The next meeting will be Thursday, October 26th, 2006 at 8:20AM in the Alden Library.**
