

Current Project: "BLT - HIGH SCHOOL TRANSITION"

[Planning Tools](#) > [Meeting Minutes](#) > [VIEW](#)

▶ **Meeting Date**

03.03.2008

▶ **Meeting Name**

BLT

▶ **Attendees**

Dr. Matteson, Principal; Marcia Tanzman, School Nurse; Carolyn Hotaling, Teacher; John Shanley, Teacher; Mike Williams, Teacher; Bill Blayney, Teacher; Trish Tomaseski, Teacher; Nicole Reid, Teacher; Brian Devincenzi, Teacher

▶ **Notes**

Agenda:

1. Task Force Reports
2. Feedback on Respect Day
3. Pride Factor Survey Workshop
4. Integrity Day ideas

▶ **Outcomes/To Do's**

1. Task Force Reports

- Attendance: Mr. Devincenzi reported that they have nearly completed their work on a proposed Attendance Policy. Details were shared along with information on an appeals process and a search for more data points to support the policy. Before the next meeting they will prepare a draft to be sent to District Counsel

-Quality Work Standard: Trish Tomaseski shared two standards created on the Rubric Maker. She is prepared to share information with the Faculty at the next Faculty Meeting.

-Senior Year: Bill shared the LifeTrack survey with the group and noted that their group is meeting on the 12th to potentially revise some of the questions. He also reviewed the Senior Career Day preparations for May 20.

2. Feedback on Respect Day - all concerned felt the speaker was excellent. The video seemed a little young for the students. The Questions to the video were good and the format for the day was good.

3. Integrity Day Ideas - After much discussion Carolyn will be obtaining information from the PBS Frontline program, which has lesson plans. Once we preview the program, we will likely have the makings of an integrity day prior to the end of school

4. Pride Factor Survey Workshop - Each set of survey results were discussed. We decided to break some of the questions down into a follow-up survey with Faculty and Students to get more information on certain questions.

Next Meeting: 4/7/08

Agenda: Task Force Reports; Integrity Day; End of Year Surveys
