

SCHOOL BREAKFAST/LUNCH UPDATE

We are excited to welcome our students back and the school food service program is preparing to return to normal service and operations. We are facing unprecedented issues with the supply chain that may cause us to alter our posted menu with little to no notice. We are working closely with our distributors and manufacturers to secure both the food and supply items needed to support our program.

We will make every effort to serve the posted menu each day at every school. Supply issues may make this difficult throughout the school year or until the supply chain issues are rectified. We will always attempt to notify you of any substitutions or changes to the scheduled menu item.

Please check the school lunch menu posted on the website for changes.

Please know that we will always provide wholesome meals each and every day.
