

## Kindergarten 2021 Registration

Due to Covid-19, and for the safety of our staff and community, Kindergarten registration will be online as we have been doing since last Spring.

All forms are on our website, [millbrookcsd.org](http://millbrookcsd.org), located on the Registration page. They, as well as the five documents listed below, are required for the registration process.

1. Original birth certificate with the raised seal **OR** passport;
2. Immunization record;
3. School tax bill **OR** lease **OR** mortgage statement;
4. Utility bill (electric, cable, water, fuel)
5. Registration Affidavit (**notarization required**). (Enclosed in this mailing & part of Registration Forms).

Completed forms/packet may be scanned to the email below, dropped off at Elm Drive Elementary School, or mailed to Mrs. Hartswick, at the address below. We have set aside the week of March 9<sup>th</sup> to 12<sup>th</sup> for this purpose. All children must be five years old on or before December 1, 2021 in order to attend Kindergarten in September.

If you choose to delay your child, or place in a private school, please inform us so we can update our records.

After we have compiled an official list of prospective students, we will notify you about our upcoming Kindergarten activities going forward.

If you have any questions, feel free to contact:
