

Dear Parents/Guardians,

Important information regarding High School health for the 2021-2022 school-year is as follows:

- New York State requires a health examination for all students **entering the school district for the first time.**
- New York State requires a health examination and when entering **9th and 11th grade.** The examination must be completed by a New York State licensed provider (MD, DO, NP, PA).
- A copy of the [Student Health Examination](#) must be provided to the school within 30 days from when your child first starts at the school, and when your child starts 9th and 11th grade.
- If your child has an appointment for an exam during this school year that is after the first 30 days of school please notify the Health Office with the date.
- A [dental certificate](#) which states your child has been seen by a dentist or dental hygienist is also asked for at the same time.
- As of June 13, 2019, New York State no longer permits a religious exemption to the immunization requirements for school entrance/attendance.
- New York State requires 2 doses of the **meningococcal vaccine for 12th graders.**
- If your child will require medication during the 2021-2022 school-year please have your licensed provider complete the [Authorization for Medication](#) form.
- If you would like your child to receive Over the Counter Treatment during the 2021-2022 school- year please have your licensed provider complete the [Authorization for Over-the-Counter Treatment](#) form.
- For your convenience, a [Student Health Examination Form](#), [Dental Certificate](#), [Authorization for Medication Form](#) and [Authorization for Over-the-Counter Treatment Form](#) are enclosed.

We suggest you make copies of the completed forms for your own records before sending them to the school health office. Forms may also be faxed to the number below. If you have any questions or concerns please contact me at the High School Health Office. Thank you for your attention to this matter.

Sincerely,
