

# JOIN THE PTO

## Welcome to another exciting school year!!

The Millbrook Central School District Parent Teacher Organization (PTO) is a non-profit organization that works hard each year to enhance our children's school experiences. We are excited to tell you about some of the ways you help us support our schools.

Your \$25 family membership fee is critical to support the programs we administer in your children's schools. Below are just a few of the programs we were able to assist with thanks to your continued support.

- One or two \$1000 Scholarships - High School (depending on annual fund raising);
- Each school is allocated monies toward programming (author visits, assemblies, speakers, etc.)
- Book fairs – Elm Drive, Alden Place and the Middle School
- Field Trip assistance – all schools
- Teacher reimbursements for members in good standing – all schools
- Staff Appreciation luncheon – all schools
- 2<sup>nd</sup> grade Luau – Elm Drive
- 6<sup>th</sup> grade Orientation – Middle School
- 8<sup>th</sup> grade Graduation – Middle School
- Moving Up and Award ceremonies during the year – all schools

Another way you can support us is by donating clothing via the U'SAgain bins that are located across the street from the entrance to Alden Place Elementary and the Elm Drive school parking lot. The PTO is supported financially by U'SAgain via these donations.

Your willingness to volunteer in your child's school or classroom is greatly appreciated. The PTO Board is always looking for help with book fairs, school photos, Staff Appreciation Days, moving up ceremonies and more.

## 2018-2019 PTO Membership

Becoming a member for \$25.00 per family gives you the opportunity to give your input/ideas for new activities, fundraising, and how funds are spent.

Here are some great reasons to join:

Your \$25.00 membership fee helps support our annual budget to benefit all children.

Be better informed. PTO can help you keep up with what's happening at your child's school.

Make connections. Whether you attend PTO meetings and events or just stay connected via e-mails and newsletters, through PTO you'll connect with others who share their concern for children and their education.

Be a positive role model. Through your involvement in the PTO you can show your child and other children how much you value education and how being involved and giving back can make a difference.

Speak up. PTO is a forum for exchanging ideas. Your membership can be a means to effectively suggest changes at the school and to be involved in making them happen.
