Farewell,
Mr. Yager
“You can replace the position, but you cannot replace the person,” former Superintendent Phil D’Angelo once said. On Friday, January 29th, this statement could not have been more true. This day marked a truly momentous moment in not only the career of Mr. William Yager but in the history of the District. Mr. Yager has been an educational leader who has worked with our students for over thirty years and built a true love of science. His students have gone on to become scientists and engineers, but have also become incredible human beings who positively contribute to the Millbrook community. Mr. Yager has received countless awards, including Teacher of the Year, but his mark is left in the positive relationships he built in our community. At the end of the day, Mr. Yager brought a love of learning to Millbrook that cannot be quantified.

Millbrook Central School District thanks you for all your hard work and dedication and wishes you a happy, healthy and well-deserved retirement!
