Treasurers Reports for the period

Budget Transfers

Correspondence: Dr. Jaeger noted that we received a request for a non-resident tuition paying student. He noted that our policy allows for such tuition paying students and elaborates on situations where they may be denied. Additionally, we have not accepted a tuition paying non district student since 1996 when it was a limited time special circumstance. Dr. Jaeger noted that he did not recommend that the Board consider the request because we have not accepted tuition paying students since 1996 and there is not space available at this time.

Upon recommendation of the SOS the Board considered approval of the following resolution:
Be it resolved that the Board of Education grants the request the request of Roger Kirby to enroll his son on a tuition basis for the 09-10 school year
No motion, no second, therefore it was denied.

Public Participation:

Laura Fitzmaurice requested to know who was being transported during the summer. Mr. Robb noted that they were students receiving special education services on a twelve month basis. He added that he would forward her the particular runs. In addition she asked what percentage of that cost is reimbursed by the State.

Ms. Fitzmaurice inquired as to the PTO leadership and website information. It was noted that the website would not be updated until the PTO met and had a executive meeting to determine leadership.

Mrs. Powell- asked why the public was not able to view the documents that the Board was looking at last board meeting. Mr. Hurley noted that they were often internal working documents that were not open for private review by the public. Mr. Rudy noted that the Boards in New York State are conducted in the public, but not necessarily for the public. Dr. Jaeger noted that the documents that were discussed were in a form that was not appropriate to share with the public because it included personal employee information.

Mrs. Fitzmaurice asked questions regarding the Title I and Title II funding. She asked what portion of the money was being allocated for Elm and Alden. Dr. Jaeger noted that the position for the .6 administrative position is for the high school. He further noted that the position was not covered in the general fund. Dr. Jaeger noted that the Federal money was distributed based on the needs of the district that have been brought to the Board’s attention.
as priorities over the past years. Dr. Jaeger noted that the Intervention Specialist is one example of meeting the needs at Elm Drive.

Mrs. Fitzmaurice asked the Board whether or not a policy has been created regarding seatbelts on the school buses. The policy was to be specific to Elm Drive and specify that all Elm Drive students are required to wear a seat belt. Mr. Robb noted that he has shared the seatbelt policy with the bus garage and they have been directed to follow the established policy of encouraging the students to wear seatbelts. Mr. Hurley stated that the Board is reluctant to make a policy that goes beyond what is recommended by New York State. He noted that it has not been proven that seatbelt wearing on a bus is safer for students and the practicality of having a bus driver enforce the policy would also be considered by the Board. Mrs. Fitzmaurice inquired as to the avenue by which the public could add a referendum to the next vote. She was instructed to speak to the District Clerk for further information on filing a referendum.

Superintendent’s Report –

- The District is still working toward identifying staff for the opening of the school year. There are some that we are still pursuing and are awaiting pending certification at the State level.
- He added that the architects, Mosaic, has been in the district and met with the administrative team to update their information in relation to district needs. One area of their study is the buildings, a second is the instructional/informational systems and the third is the athletic fields. In reference to the third area of study, they have recommended that we commission a topographical survey to support our needs for further field planning.
- The High School retaining wall is still being investigated. On advice of counsel there is a recommendation on your revised agenda to contract with an engineering firm to enable us to have some analysis of the structural elements as to how it was built and cost analysis for remedy.
- A meeting with regard to the Buffer Zone has been scheduled for next Monday evening.
- Opening of school planning is in full progress. School mailings, schedules are all going out in the upcoming weeks. The opening schedule has been created in a staggered manner. On Wednesday the 8th the eighth and ninth graders will be attending for specific work areas and training while the other students are not in attendance. Additionally, in Elm the Kindergarten class and parents will be attending Wednesday the 8th while the other students are not in attendance on that day. This staggering will provide a good launch for the school year.
- High School Regents results have been provided for June 2009 and Mrs. Ackerman would be happy to review the results with the Board as needed.

The Facilities Committee will conduct a walk through after the 31st of August.

NYSSBA Liaison – Mr. Forte would like to have the resolution books prior to the convention so he can collate them.
Upon the recommendation of the Superintendent of Schools, a motion was made, with gratitude by Mr. Ross, seconded by Mrs. Blackburn and carried unanimously to adopt the following resolution:
BE IT RESOLVED, that the Board of Education hereby accepts, with gratitude, the additional donation of $282.38 from the Millbrook Central School District Educational Foundation to fully fund the Scholastic Magazine subscription for Elm Drive Elementary School.

Upon the recommendation of the Superintendent of Schools, a motion was made, with gratitude, by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board of Education authorizes its President along with the Superintendent of Schools to execute an agreement for the employment of Brian Devincenzi as a part-time Assistant Administrator/Supervisor for Student Affairs, for the period commencing September 1, 2009 and terminating June 30, 2010, which agreement shall be incorporated by reference within the minutes of this meeting.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: 
BE IT RESOLVED that the Board hereby appoints Colette Alonge-Watz to a 1.0 F.T.E. 2-year probationary position as a Chemistry Teacher in the Chemistry tenure area, at a salary of MA 60 Step 10 ($73,835.00), effective September 1, 2009.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to adopt the following resolution: 
BE IT RESOLVED that the Board hereby appoints Tonya Pulver to a .60 F.T.E. position as a School Psychologist at a salary of BA30 Step 1 + 20 credits $31,983.00 effective September 1, 2009 through June 30, 2010, pending receipt of her School Psychology Intern Certification.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: 
BE IT RESOLVED that the Board hereby appoints Mary Lou Janelli to the position of Interim Secretary to the Superintendent at a salary of $40,000.00 effective September 1, 2009 through June 30, 2010.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: 
BE IT RESOLVED that the Board hereby appoints Julie Durrance to the position of Leave Replacement Elementary Teacher at a salary of BA Step Step 1, effective September 8, 2009 through January 29, 2010.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: BE IT RESOLVED that the Board hereby appoints Valerie Brown to a 1.0 F.T.E. 3 year probationary position as an English Teacher in the English tenure area, at a salary of BA Step 1, $49,759, effective September 1, 2009.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: BE IT RESOLVED that the Board hereby approves the request from Brian Devincenzi for a leave of absence from his .6 F.T.E. Teaching Position for the 2009-10 school year while he pursues his appointment as Assistant Administrator for Student Affairs.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: BE IT RESOLVED that the Board hereby approves the request from Tonya Pulver for a leave of absence from her 1.0 F.T.E. Secretary to the Superintendent Position for the 2009-10 school year while she pursues her appointment as a .60 F.T.E. School Psychologist.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: BE IT RESOLVED that the Board hereby approves the request from Mary Lou Janelli for a leave of absence from her Library Clerk Position for the 2009-10 school year while she pursues her appointment as the Interim Secretary to the Superintendent.

Mrs. Powell asked questions regarding the architect that was hired. In response it was noted that the architect was hired to look at all buildings and grounds needs. It was also noted that Tribute Garden invites the district to present items K – 12 that are priorities areas of development and district wide long-term priorities. Tribute Garden then reviews the presented items and determines what will and will not be funded.

Mrs. Fitzmaurice asked who she should direct her concerns to regarding her perception of Alden’s lack of outside play equipment. Dr. Jaeger noted that they the Superintendent is the clearing teams. Dr. Jaeger encouraged her to work with Mr. Libka to create the proposal.

In response to Mrs. Powell, Dr. Jaeger noted that the position for the part-time school psychologist was created by IDEA funding that is temporary. She will be operating under an Internship certificate for the year. She can not continue in her Secretary to the Superintendent so she was given a leave for that position. Her position was then opened up to the public and internal and external candidates were interviewed. Subsequently, the internal person was hired and therefore she requested a leave from her internal position. The administrative position was posted internally and a candidate was selected and therefore, he requested a leave from that position.

With regard to the additional salary for the District Clerk stipend for Human Resources functions Dr. Jaeger noted that this includes fulfilling the reporting requirements for personnel such as personnel files, civil service report and staff reporting. Due to need for continuity it
was determined not feasible to incorporate these functions into an interim person’s responsibility.

In response to Mrs. Fitzmaurice it was noted that the computers being surplused were of no value to the district and would not impact a student. Additionally, it was noted that the Library Clerk position would be filled for the duration of the leave off of the civil service list.

A motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to convene in executive session to discuss the employment of a particular person and negotiations under the Taylor Law at 10:15 p.m..

Mr. Hurley, Board President, called the meeting to order in the Middle School Cafeteria at 7:38 p.m. Mr. Hurley then led the Pledge of Allegiance.

A motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to accept the minutes of the meeting of August 17, 2009 as presented.

The Superintendent’s report was as follows:

- Four days of faculty and administration meeting with regarding co-teaching initiative over the past week.
- Curriculum alignment work K–12.
- Buffer zone work continues. We are looking into screening options at this time and have identified an area for planning for the fall and spring.
- An engineer has visited the retaining wall site and will be involved in making calculations to determine the demise of the wall. He is analyzing the stress theory on each wall to determine if the stress factor contributed to the walls failure.
- Mid Hudson School Study Council is recognizing two of our employees for their excellence awards. Lila Simon and Elizabeth DeLessio were both notified that they have been selected for awards and they are both going to be recognized at the MHSSC Annual Award Dinner on October 7th at Anthony’s Pier 9.
- New and second year teacher orientation is coming up on September 1 and 2, 2009.
• Summer Facilities Update – Facilities Committee will meet this Friday with Mr. Ragusa. Mr. Robb noted that the summer has gone well as far as facilities. He noted many changes/upgrades to the buildings and athletic fields.
• Opening day for staff is September 8th.
• PTO Contact information is enclosed for your review.
• SED has provided an update on Swine Flu. A meeting has been scheduled with school nurses on the opening day of school to review the guidelines.

Drew Bolotti addressed the Board regarding his son Wyatt. Dr. Jaeger informed the Board that it came to his attention that this family lived outside this school district and he subsequently informed the family that they would have to seek to register the child at Webutuck. Mr. Bolotti said that his son has been in the district for 5 years and now he has to leave the school that he has known. Dr. Jaeger noted that the Millbrook School is affiliated with Webutuck for federal funds. He added that this may be just because the majority of the campus is in Webutuck.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

- Budget Transfers 673 and 674

CORRESPONDENCE: Dr. Jaeger noted that he received a letter from Mr. Kirby requesting that the Board reconsider admitting his son, Augustus, on a tuition paying basis. It was noted that the son would be living with a family within the district and Dr. Jaeger contacted him with regard to the request.

A motion was made by Mr. Wolff, seconded by Mr. Forte to amend the agenda to include the request from Mr. Kirby. Mr. Wolff asked for clarification on what law there was in place to ensure that the child is being educated. Dr. Jaeger noted that the child can be educated in the district of residence, being home schooled or in a private school.

A motion was made by Mr. Hurley, seconded by Mr. Wolff to adopt the following resolution:

BE IT RESOLVED that the Board hereby admits Augustus Kirby on a tuition paying basis for the 2009-2010 school year as an 11th grade student. After discussion the motion did not pass with a vote of 0-4 with all Board members voting Nay.

Student Representative, Jonathan Campbell, addressed the Board regarding Spirit Week and the Drama Club (Beauty and the Beast production).

Superintendent’s Report: Dr. Jaeger noted the following:

- BOCES Capital Project Vote – December 1, 2009
- BOCES Vote Public Hearing – November 9, 2009 – further details about the vote are available on the Dutchess County BOCES website (dcboces.org)
- The land surveyor has completed the topographical map of the athletic field and a draft has been forwarded to our architect.
- Dr. Ackerman has submitted a Bright Ideas grant from MEF for $1100 for additional computers for the learning center.
- The hill underneath the retaining wall is now covered in plastic sheeting. This is an intervention to insure that we have as little as possible additional water seeping into the lower retaining wall. It was suggested by the architects and construction firm involved.

Principal and Technology Director Reports
Thomas Libka addressed the Board regarding the following:
- Parent Orientation went well.
- Jessica Furnari and Linda Wenkert presented Thinking Maps to the parents and invited them to attend a parent training. About 60 parents signed up for the training.
- Elm Drive had their orientation and had parents sign up for thinking maps training as well.
- School pictures were held last week.
- School safety week was conducted as well.
- Spirit week is underway with support your team day on Friday.
- The Bookroom has been expanded.
- The second year of thinking maps is underway as well as co-teaching, Science 21, Guided Reading.
- There are three new members on the BLT.
- There is one new member on the Safety Committee.
- Diagnostic Reading Assessments are required to designate and establish reading levels for students.
- Joint faculty meetings with Elm are scheduled.
- Computer based report cards will be explored by both schools collaboratively, as well as a math review, curriculum mapping, guided and accelerated reader and handbooks.
- Training continues in Curriculum Mapping, Co-Teaching reflection and Adaptive Schools.
- With regard to technology, they will be checking student skills monthly. Additionally, they are continuing to upgrade teacher skills.

Mr. Fried addressed the Board regarding the following:
- The staggered opening went very well. The 8th grade leadership training went very well. Mrs. Hains, Mr. Burrows and Mr. Carbone did a great job planning and implementing the training.
- The NYS Intermediate Testing Schedule has changed and comes with challenges.
- The Middle School has enhanced the staff with the full-time Reading Specialist. Increases include a full 6th grade reading course, a brand new
7th grade reading course, as well as AIS classes and the ability for Ms. Gagnon to be available as a literacy coach for our staff.

- The 6th grade orientation survey results are in and good feedback was received from the parents.
- School wide implementation of Accelerated Reader is on the horizon.
- The Middle School heart lab is up and running. Room 46 has been redesigned to a heart lab, which is a fitness room that the students will be able to utilize when not in classes. At this moment, the room is only open one class a day due to staffing issues.

Dr. Ackerman addressed the Board regarding the following:

- Freshman Orientation
- Learning Center
- College visits
- Project Lead the Way (PLTW) and Physics Lab
- Assemblies were held for each grade level for the opening of school. Each student was provided a student planner and a Code of Conduct.
- Teachers have received professional development on Smart Boards and Moodle.
- All the teachers have committed to placing Thinking Maps on display in each classroom.

Diane Morey gave the Board an overview of the new website. It was noted that the new site is very easy to update by our staff and will be more useful than the former site.

A motion was made by Mr. Forte, seconded by Mr. Rudy, to accept the enrollment report as submitted with a total enrollment of 1262 (247 Elm, 276 Alden, 292 Middle School, 413 High School and 34 out of district).

The Board reviewed the facilities report for the months of July and August as presented. Additionally, it was noted that the walk through was very informative and the buildings all looked really good.

The Board reviewed the Superintendent’s Mileage Report for September 2009 as presented.

NYSSBA/Legislative Liaison: Mr. Rudy noted that Governor Patterson was in Poughkeepsie and mentioned that he wanted to explore better tools for teachers.

DCSBA Liaison: Mr. Forte noted that the first meeting was the 3rd and they were joined by the Dutchess County Health Department to review H1N1 and what districts should be implementing. Dr. Jaeger noted that he, Kurt and Mr. Rudy attended a meeting with the DC BOCES Board and a workshop may be scheduled for early November for all School Boards to attend.
Millbrook Central School District Educational Foundation, Inc Update: Mr. Hurley noted that they had a meeting last week. MEF has made a total of $59,000 in grants for 08-09 and $314,000 since its inception. MEF and the Sports Boosters will be sponsoring a “Run for the Money” Fundraiser on October 23, 2009 from 5:30 – 6:30 p.m. Proceeds will benefit the athletic fields/complex. The annual MEF appeal will begin around November.

Upon the recommendation of the Superintendent of Schools, a motion was made, with gratitude, by Mr. Hurley, seconded by Mr. Forte, and carried unanimously to adopt the following resolution:
BE IT RESOLVED, that the Board of Education hereby accepts the donation of $1,000 and a blender from the Cornell Cooperative Extension Program for Elm Drive Elementary to participate in the Eat Well Play Hard campaign.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mr. Wolff, seconded by Mr. Forte, and carried unanimously to adopt the following resolution:

A motion was made by Mr. Forte, seconded by Mr. Rudy and carried unanimously to adjourn at 10:45 p.m..

Dr. R. Lloyd Jaeger
District Clerk Pro Tem
Mr. Hurley, Board President, called the meeting to order in the High School Library at 7:48 p.m. Mr. Hurley then led the Pledge of Allegiance.

A motion was made by Mr. Ross, seconded by Mr. Forte and carried unanimously to accept the minutes of the meeting of September 21, 2009 as presented.

Dr. Jaeger addressed the Board with correspondence from Steven Mitchell regarding consultant services. They asked that Dr. Jaeger respond to Mr. Mitchell that we have a very strong and positive working relationship with the businesses, foundations and booster clubs of the Millbrook community and that we benefit from their active and on-going support annually in the amount of several hundred thousand dollars, thus we do not find it necessary to engage in Mr. Mitchell’s service to acquire sponsorship support and certainly find no need to pay an intermediary a 35% commission fee to do so. Thank you very much for your interest in our district.

Dr. Jaeger reported on the following:

• Reports on several of my professional activities including the New York State Board of Regents Standards and Practices Board, as well as the Mid Hudson School Study Council.

• Upcoming professional development activities, including data driven dialogue team training, adaptive schools training, and thinking maps training for parents to name a few.
• Status of Board Goals input:
  He has been gathering input from the administrators such that we can present a draft of Board Goals for you at the October 19th meeting.

• Reminder – October 7th is the Mid Hudson School Study Council Excellence Awards Dinner recognizing Betsy DeLessio and Lila Simon.

• Proposed cooperative services agreement with the Village of Millbrook: has been delivered to the Village and we are awaiting their response.

• Grant application for MEF by the Millbrook Drama Club for additional funding for wireless microphones for the drama club.

• As a result of our relationship with Blue Cross Blue Shield the Wellness Health Fair bus will be at our location on November 9th from 8 am – 4 pm. Mr. Robb explained the process and the location of the bus.

Ms. Welling addressed the Board regarding her perception that the District was hiring employees who were friends and/or relatives of administrators. She is asking that the Board address the issue because displays of nepotism should not be tolerated. Mr. Hurley noted that we do not have a policy on hiring friends/family but that he was unaware of this practice and that it could be just a perception. We can look into see if other districts have such a policy and take it into account during our policy review. He added that the Board would not be supportive of a hire based solely on a persons relationship with an administrator. Upon discussion it was noted that we do have standards for hire and if a person meets those standards and is a friend of a current employee they are not ineligible if they are the best person for the job. Dr. Jaeger added that employees that are subject to civil service go through a very thorough process and we are given lists of people that we can hire in the order of preference. Thus you can not pick the person that you want for civil service employees. For the teachers, they go through multiple interview processes and have to exhibit teaching skill. Tammy inquired if a person was ever hired by an individual as opposed to a committee. It was noted that all persons hired are interviewed by at least two people.

Ms. Welling addressed the Board regarding the program in the Middle School. She noted that she feels there is a gap in the curriculum regarding writing. She believes that very little note-taking and/or writing skills are incorporated into the program. Mr. Rudy noted that there are essays incorporated on the ELA tests and we score very highly on these ELA tests so the students must have some acquaintance with writing skills. Mr. Hurley asked that she go to the team of teachers and address her concerns if she feels she can not address these concerns with the administration.

Ms. Welling noted that she was at the “Walkway Across the Hudson” event and she would like to encourage the teachers to use it as a resource for field trips.

Mr. and Mrs. Alleganian addressed the Board regarding the large class sizes at Elm. She noted that she has spoken to Ms. Fitzgerald and is suggesting that we
have teacher aides in each classroom. Dr. Jaeger noted that a teacher will be working as a co-teacher in the kindergarten classrooms. He noted that fiscally we can not find the means to staff each kindergarten with a teacher aide. He added that we did not expect the 23 students in a classroom, but that it was within the guidelines of Board policy. Mr. Alleganian noted that parents are helping out in the classroom and they are willing to do more, but are unsure of where to address the matter. Dr. Jaeger noted that this was the correct forum to bring up the issue of large class sizes. In response to a question regarding if MEF would fund a staff person, Mr. Hurley stated he did not feel that was a feasible request of MEF. He added that MEF would more likely fund something that would help a teacher maximize the educational experience. MEF is geared to educational enhancement not staffing requirements. A question was raised as to whether the parents could raise funds to hire a teacher aide for the Kindergarten class. Dr. Jaeger noted that the funding could be giving with stipulations, but the district does not have to accept those funds nor do they have to hire a particular person for the position if the funding were accepted.

Tammy added that it would be great to have some fluidity in the budget to cover overages in the classes.

A motion was made by Mrs. Blackburn, seconded by Mr. Ross and unanimously carried to amend the agenda to add a new business item on behalf of the audit committee.

Upon the recommendation of the Audit Committee, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the District Audit Committee has reviewed the Draft Annual Financial Statement and Supplementary Information ending June 30, 2009;

BE IT FURTHER RESOLVED that the Board authorizes the funds to implement the special education programs and services consistent with said recommendations.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board approves the annual 8th grade field trip to Washington DC for three days and two nights (June 9 – 11, 2010) at an approximate cost of $370 per student (paid for by the students) as presented.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board approves the 11th grade field trip to Philadelphia, PA on October 29 – 30, 2009 at an approximate cost of $245 per student (paid for by the students) as presented.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby authorizes budget transfer 689 in the amount of $11,700 as presented.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby authorizes the excess of the following books:
83 Algebra-Integrated Mathematics
64 Chemistry – The Study of Matter

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby accepts a donation in the amount of $136.66 from Target for the purchase of high school supplies for students, staff and faculty.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby acknowledges that Arthur Petrose is on an unpaid medical leave for the period of August 17, 2009 through November 2, 2009 per physician directives.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby appoints Dana Sherwood to a 3-year probationary appointment as a .5 FTE Elementary and .5 FTE Special Education teacher in the dual tenure areas of Elementary and Special Education, at a salary of BA Step 1 prorated ($49,759.00), effective October 6, 2009. This appointment is subject to State Education Department grant funding.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby appoints Barbara Costakis to a 26 week contingent permanent probationary position as a Library Clerk, at a salary of $22,400.90 prorated effective October 13, 2009.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby appoints Peter Sarubbi to a leave replacement position as a Custodial Worker, at a salary of $25,461.60 annually (to be prorated) effective August 17, 2009 through approximately November 2, 2009.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board of Education hereby appoints the following individuals to the corresponding co-curricular/extra class positions at the corresponding stipends:

Denise Hains – Teacher Mentor (Miles-McGrath) $1850.00
Patricia Tomaseski – Teacher Mentor (Colette Alonge-Watz) $1850.00
Michelle Traudt – Teacher Mentor (Browne) $1850.00
Sarah Rizzo – Teacher Mentor (Sherwood) $1850.00
Sanda D’Onofrio – After School Study Hall Monitor $12.52 per hour

In response to Mr. Rudy it was noted that each mentor must spend a minimum of 40 hours with each mentee. They are formally trained by Dr. Jaeger in the Fall and in the Spring a documentary record is filed with the Superintendent’s Office. This is a state requirement under the tenure law. It was noted that while we are not required to, we did ask that the new Chemistry teacher have a mentor even though she had substantially more than two years experience because it is the belief of the administration that a mentor is helpful when a teacher is getting used to a new system.

9:15 p.m. a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to convene in executive session for matters pertaining to potential litigation and negotiations under the Taylor Law.

Superintendent’s Report

- Millbrook has been the subject of a scam by a business that is soliciting funds from local businesses for sports calendars presumably for the Millbrook Central School District, but in reality for their own profit.
- The School architects have been working with the individual school Principals to complete a comprehensive evaluation and report for the Board to review. It was noted that one of the items that has come up is the electronic lock-down security system that we have in our high school.
- It was noted that the absenteeism has been lessening.
- Dr. Jaeger publicly thanked Karen Burrows for her work to make the Drama Club Follies a success.
Dr. Ackerman noted the following:
- BLT Initiatives: College Connection Program, Senior Experience, BBID Program and Academic Awards and Scholarships
- Thinking Maps Parent University
- Learning Center
- Technology Integration/Competency Survey
- College Visitation Program
- Children’s Book Project – English 9
- Drama Club Follies
- Update on the Fall Teams that made post season play: Girls Soccer, Football, Boys and Girls Cross Country, and Girls Volleyball

Mr. Libka noted the following:
- Calendar events include American Education Week, NYS Social Studies Exams, 3rd Grade Concert, 3rd Grade Feast, Parent Teacher Conferences, Winter Conference and Holiday Dance Conference.
- The PTO has purchased two-way radios, provided refreshments for Thinking Map training and manned the Scholastic Book Fair
- Under collaboration he noted that the Math Reviews have begun, report cards have been discussed, Mrs. Hargrove has supervised a student teacher in Mrs. Gregor’s class, and bus dismissals have been reviewed by the administration.
- For training it was noted that Cathie Morton has worked with the staff on Accelerated Reader; Mr. Libka, Mrs. Gregor and Mrs. Carey have had training in Adaptive Schools; Data Driven Dialogue training has been taking place as well as Guided Reading training.

Mr. Fried noted the following:
- Webinar – integrating technology in the classroom for all teams
- Thinking Maps, Adaptive Schools, Leading Meetings that require data-driven decision-making all continue
- Superintendent’s Conference Day focused on lesson planning and essential elements of Middle Level Education.
- Calendar highlights were reviewed for the Board. These included the upcoming sports events as well as ESL night, Veteran’s Day Breakfast, Camp Ramapo, Thinking Maps University, Parent Teacher Conferences and the 7th Grade trip to Albany.
- Mr. Fried gave kudos to Mr. Carbone on his Veteran’s Day Breakfast Program. He noted that this was an exceptional program that portrayed the sacrifices that the veteran’s made to allow us the freedoms that we have today.
Mrs. Fitzgerald noted the following:

- On Superintendents Conference Day the following were reviewed: Child Abuse training, Sexual Harassment awareness and Curriculum Writing.
- ESL night was a great night; special thanks were given to Mrs. Glick and Mr. Hinman.
- The Safety Committee has met and made some recommendations
- Child Assistance Team meetings have begun.
- Monty, a therapy dog, has visited the Kindergarten classes with his handler, Mrs. Jaeger.
- The BLT has set goals as follows: Accelerated Reader, Character Education and Recycling of paper products, crayons and juice boxes.
- The Math Committee has met and reviewed two new Math series.
- The Report Card Committee chose to coordinate new K-5 Report Cards with E school data.
- The Fall Frolic Kindergarten and Parent Workshop will be November 20th.

Student Representative Report:

- Three events took place last weekend: the craft fair, Millbrook Follies, and the Cross Country States Meet. He was urged to note that he was noted as the recipient of the sportsmanship award.
- The Area All-State for band and chorus is next week.
- College Fairs continue.
- The Interact canned food drive and blood drive were both successful.

Correspondence:
- Dr. Jaeger noted that he provided them with a letter from the Governor addressing the fiscal situation in New York State. He noted that he will reduce State aid payments.
- Implications of the Current Fiscal Crisis Powerpoint – notation regarding State aid payments and language concerns
Superintendent’s Report:
- Two proposed MEF Grants – Noel/Funk and Alonge-Watz grant proposals received consent to be presented to Millbrook Educational Foundation.
- Millbrook Tribute Garden authorized reallocating the sum of $5,000 from the Curriculum Field Trip donation to the expanded Arts-In-Education Program.
- Nugent and Haeussler Contracts have been updated and signed.
- Veteran’s Day Breakfast was a success and we have received a letter thanking Mr. Carbone.
- The draft Annual Meeting Calendar was presented for review.
- Review of the Implications of Current State Fiscal Crisis: Mid-year cuts are possible. Federal stimulus money may not be enough to offset deficit reduction next year. We will likely have a 10% reduction in State Aid for the next school year. CPI is a negative number at this time. Therefore, the contingency budget could be a zero budget increase. Real Property decline and STAR reductions will impact taxpayers.

Public Participation and Petitions:
- Joseph Linder addressed the Board regarding the delivery of Special Education services to private school students. He noted that forcing students to travel for services makes parents either withdraw from private schools or withdrawal from the special education services. He did add that technically the District is not required to provide services at the private schools, but that it would be best for the district and the children. Transportation costs would be reduced. He met with Ms. Fegan, the Principal of St. Joseph’s, and some parents to review the matter further. Discussion items regarding Mr. Linder’s request.
  Dr. Jaeger confirmed that they did have a meeting and discussions are still in progress.

Discussion – Tax Exemption for Disabled Persons
Mr. Hurley noted that we have a similar sliding scale for Senior Citizens. In response to this matter the following items were addressed:
- If we authorize it, all towns would need to implement it regardless of whether or not they offer the same reduction option.
- The scale would be effective July 1, 2010 and people would have to renew the exemption annually.
- Mr. Hurley asked the Board to review the documents.
- In response to Mrs. Blackburn, it was noted that only two residents are taking advantage of the reduction.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mr. Ross, seconded by Mrs. Blackburn and carried unanimously to adopt the following resolution:

WHEREAS, the Millbrook Central School District (“District”) maintains the Millbrook Central School District’s 403(b) Retirement Plan (“Plan”); and

WHEREAS, the Plan was duly adopted on the 15th day of December, 2008 by the District’s Board of Education (“Board”); and

- Mid Hudson School Boards Negotiations Session
- New York State Standards and Practices Board: evolving changes in teacher education preparation and personnel evaluations
• New Student Management System: we are currently looking at a new platform and have received some briefings in the recent weeks.
• Training is an ongoing initiative.
• The facilities plan is continuing to come together. Our priorities have been determined from building. The Board facilities committee has also met and reviewed the process.
• 2010-2011 Budget Preparations are continuing and planning during this State fiscal crisis is challenging.
• The Energy Performance Contract has been under review for the past twelve months. We submitted somewhere between 1.8 and 2 million dollars to the State to improve our energy performance. The State after months of review has asked to visit our district and view and review the proposal. On December 28th, they will be conducting a walkthrough of the district buildings and the ability to review the documentation.

Principal Reports:

There were a few members of the community, staff and student body in the audience and one member of the press for this regular meeting of the Board of Education.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 7:37 p.m. Mr. Hurley then led the Pledge of Allegiance.

A motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to accept the minutes of the meeting of December 21, 2009 as presented.

2010-2011 Budget Planning Overview – Dr. Jaeger and Mr. Robb presented on the considerations for Budget Development for the 2010-2011 school year. The following items were noted:

- We have had three years of modest budget growth that has restored and renewed many programs.
- Student achievement has increased over the past three years.
- We have included facilities planning in our budgets.
- We have received an average of 60% voter approval on the past three budgets.
- State Aid deferred approximately $17,000 in payments in December for Millbrook Central School District.
• 19% ($210,000) of STAR payments have been deferred for January for Millbrook Central School District.
• These deferments may impact the fund balance, which we generally return $700,000 to $800,000 to the tax payers to reduce the tax levy.
• A ten percent reduction in State Aid is projected for Millbrook. This is $300,000 less then we currently receive.
• 40% of all stimulus funding allocated for 2010-2011 was used in December to offset State revenue shortfalls. This means that the Economic Stabilization Recovery Fund has already been reduced for next year. This year we received $368,000 and we do not know if we will be receiving monies next year.
• The following factors will frame the budget: cost drivers, contingent budget scenarios, stimulus funding, state aid projections.
• Cost Drivers include gas, electric, diesel. A 5 – 10% increase is projected.
• Health and Dental is estimated to increase 10 – 12%.
• NYS Retirement Systems 9 – 12% increase is projected.
• Personnel as defined by contracts- 3% increase is projected.
• Social Security on payroll -is 7.65% increase is projected.
• BOCES expenses - 10% increase is projected.
• Transportation – 4% increase is projected.
• Contract Fees – 5% increase is projected.
• Equalization rates and property assessments are not available at this time. In order to project we have estimated a 2% decrease in property assessments for 10-11.
• Budget restraint alone can not avoid impacting local tax payers and programs.
• The contingent budget process is one that is defined by the voter rejection of a presented budget. The contingent budget is defined by state law and tied to percentage increase of not more than 4% or Consumer Price Index, whichever is lower. In December the CPI was a negative number, therefore the contingency budget would be a zero percent growth from 09-10 to 10-11. This means we would have to cut $1.5 million dollars from our current budget.
• A contingent budget would require loss of programs, staffing and services.
• Neither the general budget nor the contingent budget will be able to accommodate all that we would like to do or preserve. Both budgets will compromise programs and services.
• On March 29th the Board will finalize a budget.
• The budget vote will be held on May 18th.

In response to questions the following was noted:
• A contingent budget would not be influenced by any revenue that we may expect. It is the expenditure side only.
• Multiple years should be looked at in this budget planning because the State is in the billion dollar deficit and will not be a quick fix.
• The Superintendents in the County have drafted a letter to the Governor, Assembly and Senate regarding the reserves that school districts are permitted by law to have. The reserve is to be used for emergency situations and to offset the tax levy. The Governor is refusing to use the State reserves yet requiring the school district’s to deplete the reserves of schools that are permitted by law. Fund balance is a revenue source for the district and depletion of that will negatively impact the school district.

• Steven Kaye asked if the District could withhold salary increases to bargaining units if the contingency budget were in effect. Dr. Jaeger noted that the law does not allow for the district to unilaterally withhold salary increases.

Superintendent’s Report:

• The District architects will be preparing the complete notebook review for the Board. We hope to have that to you for the first meeting in February.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board approves the Committee on Special Education (CSE) and Committee on Pre-School Special Education (CPSE) recommendations for the meetings of December 22 and 23, 2009 and

BE IT FURTHER RESOLVED that the Board authorizes the funds to implement the special education programs and services consistent with said recommendations.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby ratifies the signing of the District’s Memorandum of Understanding as submitted to the New York State Education Department.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby accepts the resignation of Deborah Holtman from her position of Senior Typist, effective January 15, 2010.

A motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to adjourn at 9:06 p.m..

There were a few members of the staff in the audience and one member of the press for this regular meeting of the Board of Education.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 7:43 p.m. Mr. Hurley then led the Pledge of Allegiance.

The Disability and Low Income Exemption Scale Public Hearing was opened at 7:45 p.m. Dr. Jaeger reviewed the community request for this type of policy and noted that by law the Board does not have to implement the policy. The public hearing was closed at 7:55 p.m..

Dr. Ackerman began the High School Presentation which covered the following areas:
   - Naviance College Counseling Software
   - Project Lead the Way
   - Learning Center

A motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to accept the minutes of the meetings of January 11, 2010 as presented.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby approves the monthly warrants as presented:

- General Fund Warrants 19, 20 and 21
- School Lunch Fund Warrant 8
- Trust and Agency Warrants 12 and 13
- Federal Funds Warrant 8 and 9

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:

BE IT RESOLVED, that the Board hereby approves the following financial reports as presented:

- Appropriation Status Report by Function covering 07/01/09 – 1/19/10
- Revenue Report for the month ending December 31, 2009
- Treasurers Reports for the period 12/01/09 – 12/31/09
- Budget Transfers

Correspondence:

- David Greenwood of the Millbrook Rotary noted that Alison Holmberg and Michael Spross were recognized for their assistance with the New Year’s Eve button. Additionally, Izzy Tassinari was recognized for designing the selected button.
- Lower Hudson Education Coalition has invited us to join their legislative lobbying service for a participation fee of approximately $800 annually.
- It was noted that the Board Members and District Clerk have received an email from Philip Campbell indicating that he will be resigning from the Board of Education due to personal reasons.

Superintendent’s Report:
Dr. Jaeger noted the following:

- He attended the Board of Regent Professional Standards Board and was asked to represent that Board in meeting with the Commissioner. Additionally, they received a briefing from the Deputy Commissioner regarding teacher and administrator certification and standards for teaching.
Principal Reports:
Mrs. Fitzgerald reported as follows:
  • BLT is meeting monthly
  • Committee meetings are occurring weekly. These meetings have brought forth the Accelerated Reader/Book Buddies, Character Education continuance and the recycling of crayons, paper and juice boxes.
  • The Math committee has reviewed 2 additional Math series and will have a recommendation to present to the Superintendent.
  • The Drug and Alcohol prevention program began on 1/12/10.

Mr. Libka reported as follows:
  • Many noteworthy calendar events are taking place in the upcoming weeks including the Science Fair Promotion, Harlem Wizards Assembly, Robotics tournament and the Sharpe Reservation Field Trip.
  • Accelerated Reader is continuing. Over 2000 quizzes have been taken to date.
  • The Math Review team has met (Elm and Alden collaborative effort) to review two additional Math series.
  • Additionally Elm and Alden have met to discuss RTI, specifically the elementary response plan.
  • DRA kits were purchased for each classroom and the 3rd grade teachers have completed the training for the assessments.

Dr. Jaeger noted that the DRA kits is very much about developing individual profiles of the students reading capacity and where there needs are. This fits into the RTI model where we need to know where students are and how they are progressing in order to develop the instructional course for all of our students.

Mr. Fried reported as follows:
  • He has provided an RTI direct training for all AIS providers.
  • He will be attending a School Safety Seminar, Section 504 Special Education Law training and CSE/CPSE Chairperson Training.
  • Additionally, his staff attends technology training on Wednesdays and Mrs. Obrizok will be attending the CSE/CPSE Chairperson Training.
  • The Middle School is happy to welcome Mrs. Devine as the Middle School Senior Typist.
  • Young Playwrights has started today.
  • The Heart Lab is up and running. Parents have volunteered to monitor the room and the PTO has provided the funding to fingerprint the volunteers. Students in good academic standing will be able to use the Heart Lab during their free periods.
  • Casting is currently being held for Dear Edwina.
  • An internet safety leadership class is also being held.
Dr. Ackerman reported the following:
- The National Honor Society is conducting a fund raiser for Haiti.
- Rotary Club is honoring Izzy Tassinari.
- Model UN is visiting the New Zealand Embassy
- Dates for the Winter Pep Rally, Jr. Prom and Sr. semi formal have been determined.
- Yoga Club will be starting in February at 3 pm in the cafeteria.

A motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried unanimously to accept the enrollment report as presented with a total enrollment of 1201.

A motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to accept the suspension reports as presented.

The Board reviewed the Facilities Report for December as presented.

DCSBA Liaison:
Mr. Forte noted that they have met to review the budget process.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff to adopt the following resolution:
Be it hereby resolved that the Board hereby adopts the Disability and Low Income Exemption Scale as presented.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board approves the Committee on Special Education (CSE) and Committee on Pre-School Special Education (CPSE) recommendations for the meetings of January 13, 2010 as presented and
BE IT FURTHER RESOLVED that the Board authorizes the funds to implement the special education programs and services consistent with said recommendations.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
Be It Resolved, that the Board of Education hereby accepts the Tax Collector’s Report with a warrant end date of October 30, 2009 as presented and authorizes the Board President to sign the same.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
Be It Resolved, that the Board of Education hereby authorizes Sarah Gonzalez to take child care leave from approximately April 1, 2010 through June 30, 2010 as requested.
Mr. Hurley noted that over the past year there has been discussion regarding upgrading the High School Track and Field facilities. After much community and school personnel input a substantial donation has been realized. In discussion it was noted that the donation is meant to be part of a larger project in order to utilize State Aide. The donation is being made to be used within four years or the money has to be returned.

Upon the recommendation of the Superintendent of Schools, a motion was made, with profound gratitude, by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
WHEREAS, the Board of Education is in receipt of a letter, dated January 11, 2010, expressing the intention of Mrs. George W. Perkins, Jr. and The Walbridge Fund to donate a substantial amount of funds to the Millbrook Central School District for the specific purposes of repair, replacement or renovation of the Millbrook High School track and field facilities upon certain specific terms and conditions; and

WHEREAS, the Board of Education wishes to express its agreement with the terms and conditions set forth in the letter and to provide the donors with assurances that the funds will be used solely for the purposes of repair, replacement or renovation of the Millbrook High School track and field facilities;

THEREFORE, BE IT RESOLVED, that the Board of Education hereby gratefully accepts a gift in the amount of up to $1,000,000 over the next 18 months from donors, Mrs. George W. Perkins, Jr. and The Walbridge Fund, for the purposes of repair, replacement or renovation of the Millbrook High School track and field facilities upon the terms and conditions set forth in a letter, dated January 11, 2010, which letter is incorporated by reference within this resolution; and

BE IT FURTHER RESOLVED, that the Board directs the Superintendent of Schools to express the Board of Education’s sincere and deep appreciation to Mrs. George W. Perkins, Jr. and The Walbridge Fund for this extremely generous donation in the best interest of the students in the Millbrook Central School District.

Dr. Jaeger noted that he would like to publicly thank Matt and Erin Rollins.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:

There were a few members of the staff in the audience and one member of the press for this regular meeting of the Board of Education.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 8:14 p.m. Mr. Hurley then led the Pledge of Allegiance.

Middle School Presentations – Mr. Fried, Principal
  • Middle School Reading Program - Mrs. Gagnon
    Susan Gagnon has been assigned full time to the middle school for the reading program. She noted that she is working with a Reading 7 and 6 group. They have been working on a play to resolve conflicts. Additionally, she is in and out of each of the classrooms. She has just begun reviewing the ELA tests with small groups of students. She noted that she would hope that the program would continue into next year because she is getting more comfortable pushing into classes and therefore is able to reach more students. She also noted that she plays a significant role in the Response to Intervention team and hopes to be able to continue in that role.
  • Heart Lab – Mr. Carbone
    18 students at a time can use the HeartLab at this time thanks to donations from the community and parents and the volunteer workers. Mr. Carbone brought the Board to the HeartLab to observe the students in action. It was noted that additional donations are being sought to replace and restore equipment.

There were a few members of the staff in the audience and one member of the press for this regular meeting of the Board of Education.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 7:37 p.m. Mr. Hurley then led the Pledge of Allegiance.

Upon the recommendation of the Superintendent of Schools, a motion was made, with gratitude, by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board accepts the donation of $15,014.50 from the Lacrosse Club to support boy’s and girl’s lacrosse for Spring 2010.

Mosaic Architects (Nick, Gene and Scott) presented the Board with the Facilities Evaluation and Program Needs Assessment as prepared and provided to the Board. This is a complete evaluation and assessment of the buildings and facilities. He noted that the binders were set up in 11 tabs. The first being a timeline of what has happened and what the next steps are. The second being results of previous referendums and comparisons with the Energy Performance Contract. The third tab is the maximum cost allowance overview. It is essentially the overall building costs that would be eligible for building aid. Millbrook’s Building Aid Ratio is currently 23%. The fourth tab represents the Athletic Field Improvements. There are 18 items on the list with two optional items. Tab five represents the improvements for Alden Place Elementary School. There are 36 items for improvement at Alden at a cost of $7 million. The sixth tab is the improvements needed for Elm Drive at a cost of nearly $5 million. The Millbrook Middle School improvement needs are noted on tab 7 at a cost of $12.9 million. The eighth tab represents the high school improvements at $1.4 million. The ninth tab is the Maintenance Garage at $200,000. The tenth tab
represents the Heating Systems Assessment and improvements. They provided proposals for upgrades to the existing systems, conversion from steam to hot water and geothermal pumps.

Gene notes that the last tab notes the next steps. These are developing plan options after reviewing the scope of work that was presented. Then the district would have to consider packaging the referendums for the public vote. Include Athletics project to the building project to increase the buying power by allowing for state aid. He stated that this next step would begin in March and continue through July 2010.

In response to questions the following were noted:

- The health and safety categories are not required; they are deemed health and safety by the team.
- The State form for the Building Conditions Survey is still required, this is not that report, but this information will be useful in filling out the survey.
- As the law is written now, Millbrook is entitled to 23% in state aid if we do not go over the maximum cost allowances that are noted in the binder. Reconstruction work is all aidable at this time.
- Prioritized items were determined by Mosaic architects and the district administration. Ultimately, the Board will have final say on all priorities.
- There are many past referendum items that remain as a need and the cost for the improvement has continued to rise. At this time the economy is such that bids are coming in under budget because there is more competition.
- The fuel cost of $1.90 a gallon was our actual cost for last year.
- There are various NYSERTA programs to fund geothermal pumps systems. These come in the forms of grants and rebate programs. They are both being looked into at this time.

Dr. Jaeger noted that Nick, Gene and Scott were very thorough in completing this binder. They not only analyzed the facilities but also sought input from the people in the buildings and on our fields on a daily basis. They were very collaborative and have provided us with a useful and complete assessment.

A motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to accept the minutes of the meetings of February 22, 2010 as presented.

Correspondence:

- Copy of the Internal Auditors Risk Assessment Update Report. It was noted that the Board needs to determine what area they will request be assessed for risk for the upcoming year. Time will be allocated at the March 15th meeting to determine what area(s) should be evaluated. This will be after the Audit Committee meets at 7 pm to review the report.
- NYSSBA Issues Conference in Albany on March 14 and 15th. John noted that he would like to attend the conference.
Superintendent’s Report:
- Enrollment Projection Report from F.A.C.T.S.
- Apple Education and Administration Contracts for Loaner Equipment for a trial basis

A motion was made by Mr. Ross, seconded by Mrs. Blackburn to authorize the District to enter into contracts for loaner computers and administrative equipment from Apple Corporation as presented and further authorizes the Superintendent of School to sign the same.

Public Participation and Petitions:
Coleen Tobin addressed the Board with regard to her position being possibly abolished. She handed out a packet delineating what her job responsibilities were.

The Board reviewed the Facilities Report for January 2010 as presented.

A motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried unanimously to accept the Suspension Reports for December and January as presented.

Dr. Jaeger noted that there were a few items included as correspondence:
- MHSCC Annual Dinner
- NYSED Graduation Cohort Rates and Poughkeepsie Journal
  coverage of the same.
- Board of Regents consideration of eliminating many State Regents
  exams.

Superintendent’s Report
- Contingency Budget Calculations Email regarding CPI
- Millbrook Independent Report of Beauty and the Beast. Dr. Jaeger
  also extended his appreciation to everyone involved in the
  production.
- Millbrook Independent Editorial regarding following the budget
  development.
- DCMEA- Elementary All County Chorus Event this weekend. Mrs.
  Tucci, Mrs. Clements, Mr. Spross, Ms. Mooers, Mr. Ragusa and the
  custodial staff were all thanked publicly.
- Agreement of Participation in NYS Enhancing Education Through
  Technology (EETT) Grant with Dutchess, Orange-Ulster and
  Sullivan BOCES.

A motion was made by Mr. Ross, seconded by Mrs. Blackburn and carried
unanimously to accept the Enrollment Report for the month of February
2010.

A motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried
unanimously to accept the Suspension Report for the month of February
2010.

The Board reviewed the Facilities Report for the month of February 2010.

The Board reviewed the Superintendent’s Mileage Report as presented.
The Audit Committee noted that they met tonight prior to the Board meeting to review the Risk Assessment Report as prepared by Nugent and Haeuussler. The Audit Committee recommended that the Board accept the Risk Assessment Report as presented and go forward with the Fixed Asset and Inventory Controls. Additionally, the Committee will be asking Nugent and Haeuussler to detail 5 items that the Board may consider in depth analysis and quote what the fee would be for each area. It was suggested that we ask for the areas and estimate by June 15, 2010 so the Board is able to select the area as early in the school year as possible.

NYSSBA/Legislative Liaison – Mr. Rudy noted that NYSSBA is looking to have each BOCES and Superintendent’s meet to discuss cost savings ideas using cooperative power. Today was a lobby day in NYSSBA. They did meet with Mr. Molinaro, Mr. Miller and Mr. Saland to urge them to speed up the reform talk.

DCSBA Liaison – Mr. Forte reminded the Board that the workshop is Thursday.

PTO – Dr. Jaeger noted that Mrs. Lemkuhl invited him to address the PTO with the adopted budget in mid to late April.

Millbrook Central School District Educational Foundation, Inc Update – Mr. Hurley noted that the Taste of Millbrook will be June 12, 2010. Additionally, MEF is in the process of obtaining a new website.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mr. Ross, seconded by Mrs. Blackburn and carried unanimously to adopt the following motion:
BE IT RESOLVED that the Board hereby approves the National Cheerleading Competition Field Trip to Myrtle Beach March 25 – March 29, 2010. It was noted that the fund raising for this trip was done well in advance of the application to the Board for approval and the question arose as why it was not presented to the Board earlier. It was noted that in the future fundraising for a specific trip should not take place prior to Board approval. Dr. Jaeger will ask the administrative team to develop advisory letters of intent for fundraising for specific trips by the many groups affiliated with the school.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following motion:
BE IT RESOLVED that the Board hereby authorizes the continuation of all classes with enrollment under 10 students as presented.
Upon the recommendation of the Superintendent of Schools, a motion was made, with gratitude, by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following motion:
BE IT RESOLVED that the Board hereby accepts the donation of a Canon Digital Camera (valued at $550.53), from the High School PTO, for instructional use at the High School.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried unanimously to adopt the following motion:
BE IT RESOLVED that the Board hereby awards Summer Study Grants, in the amount of not more than $500 a credit for a maximum of 3 credits, to Susan Gagnon and Maryellen Link.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross to adopt the following motion:
BE IT RESOLVED that the Board hereby authorizes the Millbrook Central School District’s registration and participation in the MSG Varsity Network for the period from March 16, 2010 and ending on June 30, 2010, and authorizes the Superintendent of Schools to execute the School Registration and Participation Agreement with MSG Varsity Network LLC, a copy of which shall be incorporated by reference within the minutes of this meeting. Mr. Rudy inquired about the agreement stating that we would make a reasonable effort to notify the public of the MSG Varsity Network. Additionally, it was noted that the students of the High School would be covering the events and sending the same to the MSC Varsity Network. It was also noted that many area school districts are looking into entering into similar agreements. Dr. Jaeger noted that the district attorney did review the agreement and accept the document as presented. The item was tabled until March 17, 2010 pending further information.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following motion:
BE IT RESOLVED that the Board amends school calendar to exchange the first give back day, March 29, 2010, with June 25, 2010; this is contingent upon their being no further emergency closing days that would need to be made up. In the event of the need for an additional emergency closing day, the 2009-10 calendar would revert to its original end date of June 24, 2010 with a school session scheduled for March 29, 2010 and so on per make-up schedule.

It was noted that the student calendar may not change, rather we may use it as a Superintendent’s Conference Day/Teacher Training Day.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following motion:

BE IT RESOLVED that the Board approves the salary increments effective February 1, 2010 as follows:

There were a few members of the community, staff and student body in the audience and one member of the press for this regular meeting of the Board of Education.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 7:37 p.m. Mr. Hurley then led the Pledge of Allegiance.

Budget Adoption Date: After discussion, the Board will have the budget adoption meeting on Wednesday, March 24, 2010 at 7:30 pm in the Millbrook Middle School.

Overnight Field Trip Approval Process: The administrative team met and agreed that in September the administrators will share intents of the various clubs intent to travel overnight and/or fund raise.

Draft 2010 – 2013 District Technology Plan: Mrs. Morey presented the 2010-2013 Technology Plan to the Board and Public. She noted that this is required every three years to comply with Federal and State regulations. She noted that many items from the past plan would be continued but that there were new mandates such as a curriculum for internet safety for the current year. The vision for the plan was shaped by the needs of our students throughout their lifetimes. She added that the final plan would have to be accepted prior to April 1, 2010.

Technology Lease: Each year for the past decade, if not more, we have participated in a technology lease purchase program. This year is no different and we wanted to take this time to inform you that we are still participating in this service.
Draft 2010-2011 Budget: Dr. Jaeger and Mr. Robb: Dr. Jaeger noted that the proposed budget would retain the student services and program that we currently have while containing budget growth. The following points were noted:

- The administrative team has been very careful in preparing the budgets with focus on restoration and reallocation in the past four years.
- Partnerships and grants have been essential to supplement the budgets and allow further innovations.
- We have been committed to facilities planning.
- For the past three years we have had presented budgets that received at least a 60% approval rating by our voters.
- The current budget conserves and continues 100% of our programs.
- Key initiatives will continue, such as Project lead the Way, Science 21, TechPaths, Integrated Social Studies/ELA Curriculum.
- Programs will also deepen this year such as Naviance Guidance Program, Dutchess Community College Bridge Programs, Marist College affiliation for students, Curriculum 21, the Arts Residencies, Soccer and Lacrosse.
- We will be purchasing new Mathematics textbooks for Elm Drive and Alden Place.
- Facilities’ planning has been addressed and we will be poised to have $900,000 for a Capital Reserve Project, $500,000 for an EXCEL project and $1,000,000 from a donation to be put towards a revamping of our athletic fields.
- We budgeted for 10% less in State Aid for the coming school year.
- We budgeted for Albany to be using our Federal Stimulus funding for its own gain, not that of the school.
- Total budget is $24,998,395 which is a 3.06% budget to budget increase. This could be a projected increase in the tax levy of 4.92% with the current information from Albany.
- 1.4 Operations and Custodial, 1 Clerical, 3 Instructional, .4 Tech training and .7 part-time nursing services reductions are included in the budget.
- The contingent budget is based on Consumer Price Index (CPI) and at this time the CPI is a negative number which would mean that our contingent budget would be over $860,000 less than our current budget. This would require the elimination of programs, jobs and opportunities for our students.
- It was noted after questioning, that a contingent budget would be necessitated by the initial and/or second vote being defeated.
- We have approximately 1200 students for the next year, but we do not know that for sure because kindergarten registration is just beginning and even with that many parents do not register until after May and June.
- Dr. Jaeger noted that an intervention specialist, a reading teacher and a special education teacher were being eliminated in this proposed budget.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby authorizes the Millbrook Central School District’s registration and participation in the MSG Varsity Network for the period from March 16, 2010 and ending on June 30, 2010, and authorizes the Superintendent of Schools to execute the School Registration and Participation Agreement with MSG Varsity Network LLC, a copy of which shall be incorporated by reference within the minutes of this meeting. It was noted that the policy of the Board does not stand in the way of this contract.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board approves the Committee on Special Education (CSE) and Committee on Pre-School Special Education (CPSE) recommendations for the meetings of March 16, 2010 as presented and
BE IT FURTHER RESOLVED that the Board authorizes the funds to implement the special education programs and services consistent with said recommendations.

A motion was made by Mrs. Blackburn, seconded by Mr. Forte and carried unanimously to adjourn at 9:20 p.m..

Tonya M. Pulver
District Clerk
Mr. Hurley, Board President, called the meeting to order in the Middle School Cafeteria at 7:39 p.m.. Mr. Hurley then led the Pledge of Allegiance.

The Superintendent presented a brief synopsis of the proposed budget. After the presentation, the following items were noted:

- The second year cost for the Policy Review has been included in A1010.400.
- There are two mandates that are on the books that we have anticipated in this budget. For example, there has been an evolution of student data reporting to the State Education Department. What was once done on scan sheets is now a web based system that requires us to correlate student demographic data with assessment results. This system is getting even more demanding in the drive to improve schools. This budget includes training money and staff time to allow a member of our staff to train and assist in this endeavor. Additionally, this position will assist in the Response to Intervention data reporting. Part two, as part of the Race to the Top grants there may be new
teacher evaluation categories and provide proof of data used within the classroom prior to achieving tenure.

- A2120.140: Generally we run over the budgeted amount of $155,610 per year for substitutes in all of our buildings. This covers leave of absences, substitutes needed for conferences as well as general sick and personal days.

- BOCES COSERS have increased in many areas. Shared Maintenance is for an additional 100 hours (600 in total) this year over next.

- BOCES COSER for Copier Maintenance is for the lease of four machines and the maintenance for the machines for the copiers.

- We are obtaining more instructional development and curriculum development (BOCES COSER) time and training then we did last year.

- Approximately 22% of expenses for Occupational Therapy (BOCES COSER) is aidable.

- Tuition at residential private schools has increased due to an additional four students attending private schools. High cost expenses are entered via the System to Track and Account for Children (STAC), but no matter what we have to absorb the initial $32,000 per student.

- We do get reimbursed 100% for all of the students at the Cardinal Hayes Home.

- BOCES COSER 619 is for our telephone system.

- A2110.200.01.4003 has been reduced to zero because we are not purchasing anymore Project Lead the Way equipment.

- The rental of Village Hall increased by $1,250, but it has not been increased in at least ten years.

- The Internal Claims Auditor now has to come in at least three times a month, rather than once a month, as a result of the State Comptroller decision.

- Computer Assisted Instruction Equipment is zero because all of the equipment that we purchase goes through the BOCES Lease Purchase Agreement.

- The High School Library has reduced its budget to add funds to the textbook line to purchase math textbooks at the elementary schools.

- Educational Software has all been moved into the District Level code rather than at the building levels (A 2630.461).

- The Strobe Light for the Athletic Fields is a recommendation as part of the lock down procedure protocols to ensure that the students in the field are aware of a situation.

- The two part time nurses at the Private Schools have been eliminated. We will be scheduling our nurses to work in each of the two private schools as well as our buildings.

- COSER 605 is for the Data Administration that was discussed earlier.
The School Physician is an anticipation of a new contract being sent out for quotes for an actual school physician as well as the costs that we project we will need for The Workplace.

A2820.400 contains a consultant for 20 days over the summer in the PPS department.

Athletes Helping Athletes has been eliminated. Mr. Devincenzi noted that he is investigating the possibility of a grant and will at the very least be able to have the new students trained.

A5540.422.10 Main Contract Run for Late Bus and Mid-day has been reduced by over $100K. This decrease does not represent a cut in runs, just realignment of the bus runs.

While we have a cost associated with Drivers Education, we are reimbursed by the students and therefore, it appears as revenue as well.

Job Coach is for Special Education Students preparing to transition to the community and VI is Vision Improvement Services.

COSER 542 – Two days were cut from Computer Training and Support. Our full time computer staff will be servicing all buildings rather than just the elementary buildings.

School Lunch Fund Transfer is anticipated for each year due to the increased expense in opening a fourth building while serving the same number of students.

The reduction of the Custodial Worker by 1.4 refers to two services in the district. The district courier will be reduced to .6 rather than 1.0. The Custodial Worker reduction be a full assignment.

Tammy questioned the new staffing position put into effect last summer with the “found money” not being cut first this year. Dr. Jaeger noted that we did have new money and that afforded us to add new intervention services and to pilot some new positions that would demonstrate the opportunity to broaden the potential for the schools which they were defined. During budget development it was noted that some of the intervention services were not needed or could be funded in other ways. Additionally, some pilots were so successful that we determined to fund them while offsetting them with some other expenses.

Tammy asked how the Board determines what is reestablished if the district were to receive “found money” again. It was noted that the Board acts on the recommendation of the Superintendent of Schools. Once we received the funding, the administrative team would make proposals based on needs and funding requirements. Those proposals would them come before the Board for action.

Mr. Hurley noted that some of the Board and the Superintendent had the opportunity to sit with the County group to discuss the conditions of the school budgets across the Board. He noted that our increase in budget-
over-budget levy increase is not as great as some of the districts that are dependent on state aid. We are in a fairly good condition because we have not relied on state aid. Additionally, we have prudently used our fund balance.

Mr. Hurley noted that he appreciates the good work of our administration and business office to keep our budgets and levy increases low.

Mr. Rudy noted that Millbrook has done very well with our fund balance being kept at its maximum so we are positioned well in the event of an emergency.

At 9:20 pm a motion was made by Mr. Wolff, seconded by Mr. Ross and carried unanimously to adjourn the meeting.

Superintendent’s Report
- Grant application submitted from Mrs. Harkenrider to the Waste Management Association.
- The Newsletter has been mailed and should be received shortly.
- The 2008-09 School District Report Card is available and notes that our students are performing very well.

Administrators’ Reports-
Mrs. Fitzgerald noted the following:
- BLT is meeting monthly. They are beginning to place the stencils on the playground. Healthy Wednesdays have begun; only healthy snacks are available for purchase on these days. Eat well play hard is going well with brain teasers and fruit smoothies.
- May 9th they will have a healthy awareness day that includes a walk around the school and a healthy snack.
- June 8th we are going to Walkway over the Hudson.
- Many assemblies have taken place.
- They are currently celebrating Earth Week.
- Book Fair and Grandparents Day are coming up.
- Open House is on May 6th.

Mr. Libka noted the following:
- Many musical events have occurred in Alden for the Music in our Schools Month.
- Pirates will be the Alden Musical this year.
- Math Club has begun to allow students to practice their math skills. 33 students are currently signed up and 6 teachers are participating as well.
- PARP has been continuing; 66% of the students participated in the Parents as Reading Partners initiative.
- Training has continued in ELA curriculum planning with Jean Tribuzzi.
- We did very well in our Social Studies Scores for the 09-10 school year.

Mr. Fried noted the following:
- Mrs. Harkenrider is engaged in a training called Quest Atlantis. It is a high tech game where her students will eventually be working in a virtual world to solve environmental problems.
- School Tool training is continuing.
- Last Friday there was a Trash to Treasure art show at FDR and the 7th grade was very successful at the show.
- Many students attended the NYSSMA Festival.
- Two students have placed in the County Science Fair.
- The 2008-09 testing results were very favorable for the middle school. Science 8 had a 98% of 8th graders achieving level 3 or 4.
- Singalooza was very successful.
• Middle School Retreat took place last Friday. Coach Brooks from Yale addressed the students regarding positive interactions with others.
• National Jr. Honor Society is being inducted this week.
• Testing begins shortly for ELA and Math. Additionally, all students will be taking a field test on May 14th. The field test is comprised of ELA and Math questions to gather validity and reliability on the standard tests.
• Jump Rope for Heart is coming up.
• Young Playwrights culminating events is also on the horizon.

Dr. Ackerman noted the following:
• The revised course catalog is available online with new courses noted. She noted that MHS will be offering 11 college courses through DCC and Marist. It was noted that all the faculty that are teaching the classes have become adjunct professors at DCC and Marist.
• She noted that she would recommend that Millbrook require 22 credits rather than 23 to keep some of the struggling students enrolled. It was illustrated that most schools do not require 23 credits, but rather her suggested 22.
• BLT has met and determined that we should have a separate Scholarship Night to recognize our excelling in academics and athletics.
• The Sr. Class will all have the opportunity to write a graduation speech and one will be selected to speak by a panel of teachers and administration.
• Mid Summer Nights Dream will be performed next week.
• Numerous trainings and field trips were completed.

Mr. Devincenzi noted the following:
• He and some others have been attempting to make some changes to Section 9. Many schools that are part of the MHAL have tried to equalize the voting block of Section 9. Out of those discussions, the idea of a Section 12 came about. It would alleviate the athletic, voting and representation inequality. Financially we may be able to save transportation costs. The first committee meeting will take place tomorrow. 100 percent of the Athletic Directors in the County are attending this first meeting.

Mr. Walker noted the following:
• The Department is in the midst of Annual Reviews at this time.
• The Kurzweil Software Program has been purchased for the high school to assist students in reading and writing.
• Staff members have been attending conferences focusing on the needs of students on the Autism Spectrum. In discussion it was noted that we are seeing an increase in the number of students with Autism.
• As a result of the budget there is a reduction in the staff and he is currently working on staff reorganization to provide services to the students for next year.

Dr. Jaeger noted that the Building Level Teams (BLT) have really emerged to impact the total school environment across all of our schools. He noted that for the small financial investment that the Board allots to the BLT’s is really paying off for the schools and therefore the students. The National Federation of High Schools has published a number of stories of interest. One
was a profile of the Rutland Vermont School system. It noted that they were developing academically, artistically and athletically. Dr. Jaeger noted that Millbrook was developing academically, artistically and athletically as well and it was a great accomplishment. Additionally, MEF has offered to sponsor our faculty attending the Hudson Valley Shakespeare Festival Training. He noted that small grants are leveraging into big results and this is a culture of participation that is emerging in the district.

A motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried unanimously to accept the Enrollment Report (total enrollment of 1194) for March 2010 as presented.

A motion was made by Mr. Ross, seconded by Mrs. Blackburn and carried unanimously to accept the Suspension Report for March 2010 as presented.

The Board reviewed the Facilities Report for March 2010 as presented.

NYSSBA/Legislative Liaison – The State Budget has not been determined as of yet. The Assembly and Senate have agreed to the retirement incentive to persons with 55 years of age and 25 years of service for members of TRS and NYSUT portions of ERS. It is currently being challenged as being unconstitutional because it is only offered to NYSUT members.

DCSBA Liaison – The Annual Meeting is scheduled for June 3rd in the Poughkeepsie School District. All Board members are welcome to attend.

PTO Liaison – Staff Appreciation Day preparations are underway. It was also noted that Dr. Jaeger will be presenting to a meeting next Tuesday with regard to the Budget.

Millbrook Central School District Educational Foundation, Inc Update – The Taste of Millbrook is in planning and a save the date has been established as June 12th.

Student Representatives Report

- Sr. Week will be happening in the middle of June.
- The Band trip was a great success.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby approves or disapproves the BOCES Administrative Budget in the amount of $3,925,241 for the 2010-2011 school year;

BE IT FURTHER RESOLVED that the Board hereby directs the District Clerk to complete the ballot and return it to the DC BOCES District Clerk.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby casts a vote for

- Ralph Chiumento Jr.
- Thomas Johnson
- Jim Milano

BE IT FURTHER RESOLVED that the Board hereby directs the District Clerk to complete the ballot and return it to the DC BOCES District Clerk.
Mr. Hurley noted that Tom Clark, a dedicated School Board member in Pawling, passed away this week.

High School Credit Requirement Review – Dr. Ackerman noted that only 4 – 8% of our graduates just meet and do not exceed 23 credits. New York State does not require the 23 credits so Dr. Ackerman is asking that we take that additional stress off of the students that are struggling.

In discussion it was noted that a community service requirement should be part of the graduation process. Dr. Ackerman noted that it would take a year to evaluate and implement. She will bring it to the BLT for evaluation.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby approves the agreement between the District and Health Quest for the contract sum of $8604.00 for School Physician Services, as delineated in the agreement, for the 2009-2010 school year.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board hereby grants Neil Lipson FMLA leave to run concurrently with available sick leave commencing approximately May 18, 2010 and for a period of two to four weeks on the basis of his current medical documentation.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

BE IT RESOLVED that the Board hereby adopts the Health Service rate for the 2009-2010 school year of $582.17 per student; 
BE IT FURTHER resolved that the Board President and District Clerk are authorized to sign the Health Services billing as needed.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board accepts the donation of a mini grant in the amount of $360.00 from the Rochester Institute of Technology to enhance the support to our District’s Project Lead the Way Program.
Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: 

BE IT RESOLVED that the Board approves Private School Transportation listing as presented for the 2009-2010 school year.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution: 

BE IT RESOLVED that the Board approves the Committee on Special Education (CSE) and Committee on Pre-School Special Education (CPSE) recommendations for the meetings of March 4, 16, 19, 24, 25, April 6, 8, 12, 15, 2010 as presented and 

BE IT FURTHER RESOLVED that the Board authorizes the funds to implement the special education programs and services consistent with said recommendations.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to adopt the following resolution:

WHEREAS, two Small Claims Assessment Review (SCAR) actions were filed pursuant to Article 7, Title 1-A of the Real Property Tax Law, regarding the 2009 assessments, for property located in the Town of Washington, within the Millbrook Central School District, as described below, which assessments affects the tax rolls used to determine 2009-2010 school taxes; and

There were a few members of the staff in the audience and one member of the press for this regular meeting of the Board of Education.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 7:35 p.m.  Mr. Hurley then led the Pledge of Allegiance.

The Public Hearing on the proposed 2010-2011 School Budget was opened at 7:36 p.m.  Dr. Jaeger began the public hearing with a brief presentation of the 2010-2011 Budget.

In response to Mr. Kaye it was noted that the increase in pension costs was arrived at by the district being accountable for more of a percentage of the Employee and Teachers' Retirement Systems in the next year. The State mandates what percentage the District must contribute. Right now the District contributes 9% for the TRS and 11% of the ERS salaries.

Alec Pandeleon asked if we were being optimistic about an 8% increase in the Cardinal Hayes revenue for transportation. Mr. Robb noted that we are reimbursed 100% for all Cardinal Hayes expenditures; therefore if we spend 8% more we will get 8% more in return. Mr. Pandeleon noted that he was
disheartened with the 10% increase in administrative costs. He also asked about class size increases that may be contributable to the three staff reductions. In response Dr. Jaeger noted that we would not have any changes due to those reductions. Additionally, it was noted that we are considered to be rather “affluent” as a community and therefore we have a lower state aid contribution. In response to questions, Dr. Jaeger noted that the MEF and other grant donations has been significant, in the area of $150K annually, and we will continue to seek all grant opportunities. Donations have, in each of the last three years, reduced the tax levy by approximately 1%.

The Public Hearing was closed at 8:05 p.m.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board grants tenure to Samantha Bopp in the Elementary Education Tenure area effective September 01, 2010.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board grants tenure to Michelle Trapani in the Special Education Tenure area effective September 01, 2010.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mr. Wolff, seconded by Mrs. Blackburn, and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board grants tenure to Alexis Clements in the Music Tenure area effective September 01, 2010.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board grants tenure to Jennifer Obrizok in the School Psychologist Tenure area effective September 01, 2010.

Upon the recommendation of the Superintendent of Schools, a motion was made by Mrs. Blackburn, seconded by Mr. Wolff, and carried unanimously to adopt the following resolution:
BE IT RESOLVED that the Board grants tenure to Kristen Stuart in the Special Education Tenure area effective September 01, 2010.

A motion was made by Mrs. Blackburn, seconded by Mr. Forte, and carried unanimously to accept the minutes of the meetings of April 20, 2010 as presented.

Update of Policy Review: Mr. Hurley noted that the Policy Review is currently on hold because there is a vacancy on the Policy Committee. It was noted that the Policy Committee will wait for the election and see if a third member comes forward.

Mrs. Fitzgerald and Mr. Libka conducted a brief presentation on why “Math Connects” was selected as the potential new K – 5 Math Series. Out of the five series reviewed it was selected by the Committee. One key component was the differentiated instruction that “Connects” offers. This includes RTI components including individual assessments and interventions. Additionally, there is an ESL version to assist our ESL children follow along in the same books, while being provided additional visual cues. Lastly, there is a significant online resource website for both teachers and students.

Alec Pandeleon congratulated the Committee on selecting a series that draws the family into the education of their children. The “family portal” encourages and allows for parent involvement.

Mr. Rudy also thanked the Committee for their hard work.

Board President, Thomas Hurley, called the Regular meeting of the Board to Order at 7:40 p.m.  Mr. Hurley then led the Pledge of Allegiance.

Building Leadership Teams Yearly Updates as follows:

Elm Drive:  
- Accelerated Reader Program was an initiative in the past and this year was incorporated into the curriculum. Over 5000 books were read in total. BLT will continue to monitor.  
- Green Sub Committee – This is an ongoing program this year. Part of the initiative is to recycle crayons, on this end they have sent letters home to parents encouraging that used crayons be recycled. They recycle paper, juice boxes, crayons, and water bottles. Each day of Earth week the children celebrated and collected funds to save 17 acres of the rain forest. Additionally, a representative from Welsh sanitation came to explain what happens to garbage after it is picked up by the trash collectors.  
- Healthy Living Sub Committee - This was a new initiative this year. It was well received. Healthy Wednesdays sought to improve the cafeteria choices. Smoothie days where held. Healthy snacks were encouraged. A healthy awareness walk was held at the school. A personal trainer will be coming in to discuss relaxation, healthy eating and good exercise options over the summer.  
- Character Education Sub Committee – Ongoing program this year. Each month a theme was decided upon and placed in the common drive with a
choice of titles that fit that theme in the library. Each month the teachers chose one student in their class that exemplified that theme. The students names were announced and pictures were placed on a bulletin board.

Alden Place:
- Colonial Day – 270 students participated 30 staff members and 3 guest speakers. New York state history came alive through the Colonial Day. Students felt that they learned a lot and especially liked the hands on experience. Most fourth grade students enjoyed candle-making and stilts. Student Government set up a demerit system for the months leading up to the Colonial Day. 94% of the students felt that the demerit system improved behavior prior to Colonial Day.

- Student Government – This initiative generated recycling, volunteering at the school store and morning announcements. The students noted that they felt involved in the recycling initiative and had a say in how it was done. It was noted that teachers would like the students to report back to the classroom on a more regular basis.

- Enrichment – 130 students participated in 13 classes for this initiative. Creative writing was one such class. They also had robo lab and drama. For the future of enrichment the students wanted painting and video/photography the most.

Middle School:
- Home Base – Character education activities were completed in home base. Each month they focused on a new skill and sub-skills within the larger skill.

- Where is your spirit – This initiative was meant to increase school spirit. It was noted that apparel/accessories with MS name would increase school spirit. The apparel was meant to be available for the students to purchase after the design was staff created. It later came to their attention that we should not use general fund monies for school store purchases. This initiative will continue.

High School:
- Faculty, Staff and Student Recognition – The initiative focuses on increasing the recognition for students, staff and faculty. This led to an athletic barbecue recognition. Grade level assemblies were scheduled during the day for grades 9 – 11 and it was noted in surveys that students and staff both thought the day awards were better than evening awards. The Seniors were given an awards and recognition night which was well attended.

- Good Blazer Program – Recognition of a male or female senior who displays the character traits embodied by the Millbrook Central School District.

- Senior Year Enhancement – This year we increased the number of college courses available to students. Next year they will be offering 11
college courses. Senior week was created. The classes for seniors were finished a week early. The next week they went to Great Escape, a barbecue at Tymore Park and the Senior class awards dinner.

John Dux presented the Millbrook Education Foundation’s Annual Report to the Board. Highlights were as follows:

- MEF began in 2001 with the idea to build a gym.
- Since then they have become a 501 (c) 3, making them a not-for-profit agency.
- 2009 was a great year. Over $16K was donated to the district.
- About 1/3 of the money has been through events like the Taste of Millbrook.
- Some grants that were funded last year were Science 21, Arts in Residency, Guidance Software for the High School.
- 2010 Taste of Millbrook was a phenomenal success. 310 people attended, 100 of which were new to the event.
- Bright Idea grants are for up to $1000 for supplies, materials and or contractual items.

Mr. Hurley recognized and thanked our Student Representatives, Ryan and Jonathan, for their commitment to the District overall.

A motion was made by Mr. Ross, seconded by Mrs. Blackburn and carried unanimously to accept the minutes of the meetings of May 18 and June 7, 2010 as presented.

The Superintendent of Schools recommends that the Board adopt the following resolution:

BE IT RESOLVED that the Board hereby approves the monthly warrants as presented:

- General Fund Warrants 33, 34, 35 and 36
- School Lunch Fund Warrant 16 and 17
- Construction Fund Warrant 1
- Trust and Agency Warrants 22 and 23
- Federal Funds Warrant 16 and 17

Upon the recommendation of the Superintendent of Schools a motion was made by Mrs. Blackburn, seconded by Mr. Ross and carried unanimously to accept the following resolution:

BE IT RESOLVED, that the Board hereby approves the following financial reports as presented:

Appropriation Status Report by Function covering July 1, 2009 – June 21, 2010

Revenue Report for the month ending May 31, 2010

Treasurers Reports for the period May 1, 2010 – May 31, 2010

General Fund, General Fund Savings, School Lunch Fund,
Budget Transfers 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 476

Dr. Jaeger addressed the Board regarding the 2010 State Retirement Incentive. He noted that the Board can opt to offer Part A, Part B, both or neither of the incentives. These plans are both meaningful to employees. With regard to Part A, the district will not save enough from the early retirements to meet the savings test. Therefore, Dr. Jaeger did not recommend that the Part A incentive be offered because we could not document a savings within the test requirements. The Part B incentive has a similar anticipated cost to the district, but does not have a savings requirement and instead allows for a one year deferral or five year payout of the retirement payment to the State from the District. Again, the cost to the district is not evidenced to be beneficial to the district.

A motion was made by Mrs. Blackburn, seconded by Mr. Ross, and carried unanimously to adopt the following resolution:
BE IT RESOLVED, upon the recommendation of the Superintendent and based on the review of the economic factors required, the Board of Education hereby declines to participate in either part A or part B of the 2010 Retirement Incentive Program offered through New York State.

The School Boards Contract Survey has been enclosed for your information. Alec Pandeleon of the American Legion sent a thank you for the District allowing for a simulcast for the Memorial Day Ceremonies in Washington DC.

Superintendent’s Report
- DC BOCES commencement program attendance – He also acknowledged Zack Ferris for his accomplishments and his willingness to relay that experience to the public at the ceremony.
- Grade 3 – 8 score delays. Dr. Jaeger also acknowledged Mr. Libka and Mr. Fried for participating.
- Private School Nurse Positions – Dr. Jaeger recommended that we keep the nurses employed as they are now and complete the required budget transfer at a later meeting in July. The Board was in consensus and agreed that the summer continuation letters be provided to the two nurses in the affected positions.

A motion was made by Mr. Ross, seconded by Mrs. Blackburn and carried unanimously to accept the Enrollment report for May 2010 as presented (with a total enrollment of 1185.)
