DISABILITY DISCRIMINATION POLICY FOR STUDENTS

It is the policy of this school district to prohibit discrimination and harassment of students with disabilities as defined in Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990. This policy covers school programs, activities, and events sponsored by the school district. To that end, all officers, supervisory personnel, employees and students of the school district shall be given a copy of this policy and training regarding its terms, procedures, protections and penalties.

Definitions

Disability discrimination is defined as discrimination against a student with a disability recognized under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 whereby such student is not afforded equal educational opportunities, access to educational programs, and/or access to extra- and co-curricular activities for which the student is otherwise qualified in accordance with law.

Disability harassment is defined as conduct that creates a hostile learning or school environment that is either pervasive and/or severe in the nature of: remarks, jokes, gestures, displayed materials or printed materials about the student’s disability status or disabled individuals in general. The determination of a hostile learning or school environment shall be objective, based upon the viewpoint of a reasonable person and subjectively perceived to be so by the complainant.

Procedure

Any student who believes that he or she has been subjected to disability discrimination by an officer, employee, student or business invitee is encouraged to address the matter with the District’s Title II Compliance Officer* or alternate, as designated by the Board, who shall promptly conduct an intake interview and explain the following options for resolution:

1. Registering an informal complaint verbally or in writing; or
2. Registering a formal complaint verbally or in writing; or
3. Engaging in mediation to arrive at a resolution of the matter; or

The District’s Title II Compliance Officer or alternate will also explain that the complaining student shall not be subject to retaliation or retribution by reason of making the complaint and that confidentiality shall be maintained throughout the process, except as necessary to assure fair and due process.

Informal Complaints

An informal complaint will be promptly reviewed by the District’s Title II Compliance Officer or alternate, who shall issue a written report to the Superintendent of Schools, within seven (7) days. Such further action may include referring the matter to a Title II Investigator as if it had been filed as a formal complaint.

A District-level investigation may be delayed or suspended at the request of law enforcement.

Appeal of Formal Complaints
If a formal complaint hasn’t been processed to a satisfactory disposition by the Superintendent within thirty (30) calendar days, unless extended with the written consent of the complainant, the complainant may appeal in writing to the Board to address the failure and direct an expedited investigation with report back to the Board within fifteen (15) calendar days. Regarding matters that have been timely investigated to conclusion, an appeal to the Board may be taken by the complainant or the subject of the complaint within thirty (30) calendar days of being informed of the findings upon the allegations in the complaint.

Confidentiality
The District’s Title II Compliance Officer and alternates, complaint investigators, the Superintendent of Schools and the Board of Education shall, to the maximum extent possible, maintain as confidential the transactions(s) underlying the proceedings or complaint, the outcome of a mediated agreement and action taken, other than formal discipline.
