The Board of Education affirms its commitment to non-discrimination and recognizes its responsibility to provide an environment that is free of harassment and intimidation as required by Federal and state law. Harassment is a violation of law and stands in direct opposition to District policy. Therefore, the Board prohibits and condemns all forms of discrimination and harassment on the basis of race, color, creed, religion, national origin by employees, school volunteers, students, and non-employees such as contractors and vendors as well as any third parties who are participating in, observing, or otherwise engaging in activities subject to the supervision and control of the District.

The Board also prohibits harassment based on an individual’s opposition to discrimination or participation in a related investigation or complaint proceeding pursuant to Title VI of the Civil Rights Act, 42 U.S.C. Section 2000d, et seq. and 34 C.F.R. Part 100. This policy of nondiscrimination and anti-harassment will be enforced on School District premises, vehicles, in school buildings and at all school-sponsored events, programs and activities, including those that take place at locations off school premises and in another state.

It is intended that this policy apply to the dealings between or among employees with employees; employees with students; students with students; employees/students with vendors/contractors and others who do business with the School District, as well as school volunteers, visitors, and guests. All of these persons are hereinafter referred to collectively as “the named group.”

For purposes of this policy, harassment shall mean communication (verbal, written or graphic) and/or physical conduct based on an individual’s actual or perceived race, color, creed, religion and national origin, that:

a) Has the purpose or effect of substantially or unreasonably interfering with an individual’s work performance or is used as a basis for employment decisions (including terms and conditions of employment) affecting such individual; and/or creates an intimidating, hostile or offensive work environment;

b) Has the purpose or effect of substantially or unreasonably interfering with a student’s academic performance or participation in an educational or extracurricular activity, or creates an intimidating, hostile or offensive learning environment; and/or effectively bars the students access to an educational opportunity or benefit;

c) Otherwise adversely affects the employment and/or educational opportunities and benefits provided by the District.

The District will designate, at a minimum, two (2) Compliance Officers.

District designated Compliance Officer(s) through informal and/or formal complaint procedures as developed by the District. Such complaints are recommended to be in writing, although verbal complaints of alleged harassment will also be promptly investigated in accordance with the terms of this policy. In the event that a Compliance Officer is the alleged offender, the report will be directed to another Compliance Officer.

Upon receipt of an informal/formal complaint (even an anonymous complaint), the District will conduct a prompt, fair and thorough investigation of the charges. However, even in the absence of an informal/formal complaint, if the District has knowledge of any occurrence of harassment, the District will investigate such conduct promptly and thoroughly. To the extent possible, within legal constraints, all complaints will be treated as confidential and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges and/or to notify law enforcement officials as warranted, and any disclosure will be provided on a “need to know” basis. The Superintendent will inform the Board of Education of investigations involving findings of discrimination or harassment.

Based upon the results of this investigation, if the District determines that an employee, vendor/contractor, volunteer, guest, visitor or student has violated the terms of this policy and/or accompanying regulations, immediate corrective action will be taken as warranted. Should the offending individual be a student, appropriate disciplinary measures will be applied, up to and including suspension, in accordance with applicable laws and/or regulations, District policy and regulation, and the District Code of Conduct. Should the offending individual be a school employee, appropriate disciplinary measures will be applied, up to and including termination of the offender’s employment, in accordance with legal guidelines, District policy and regulation, and the applicable collective bargaining agreement(s). Third parties (such as school volunteers, vendors/contractors or guests) who are found to have violated this policy and/or accompanying regulations and/or the Code of Conduct, will be subject to appropriate sanctions as warranted and in compliance with law. The application of such disciplinary measures by the District does not preclude the filing of civil and/or criminal charges as may be warranted.

Prohibition of Retaliatory Behavior

The Board, consistent with the prohibition set forth in Title VI of the Civil Rights Act, prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of harassment. Follow-up inquiries shall be made to ensure that harassment has not resumed and that all those involved in the investigation of the harassment complaint have not suffered retaliation.

Finding That Harassment Did Not Occur

At any level/stage of investigation of alleged harassment, if a determination is made that harassment did not occur, the Compliance Officer will so notify the complainant, the alleged offender and the Superintendent of this determination. Such a finding does not preclude the complainant from filing an appeal pursuant to District regulation referenced in this policy.

However, even if a determination is made that harassment did not occur, the Superintendent/designee reserves the right to initiate student and/or staff awareness and training, as applicable, to help ensure that the school environment is not conducive to fostering harassment.

In all cases, the Superintendent will inform the Board of Education of his/her findings regarding an informal or formal complaint.

Such regulations will be developed in accordance with federal and state law as well as any applicable collective bargaining agreement(s).

Training and/or “awareness” programs will be established for staff and students to help ensure knowledge of and familiarity with the issues pertaining to harassment in the schools as addressed in this Policy, and to disseminate information about preventative measures to help reduce such incidents of prohibited conduct. Training will be provided to all designated Compliance Officers regarding the investigation of said harassment complaints.

A copy of information about this Policy and its accompanying regulations will be available upon request and may be posted at various locations in each school building.
